DESCRIPTION

Building plot for semi-detached housing - Commelo 8, Beringen

Looking for the ideal location to build your dream home? Discover this building plot of 356 m²!

Thanks to its excellent dimensions, this plot is perfectly suited for realizing a spacious semi-detached house. There are four building plots available, giving you a choice of multiple plots.

An important asset is the future green zone behind the building plots. This will be fully landscaped between the plots and the adjacent industrial zone, completely shielding the view of the industry. This allows you to enjoy a green view and extra privacy.

Plans are available for a home with two full floors. These can be viewed without obligation at our office. Advantages:

- * Building plot of 356 m²**
- * Ideal dimensions for a semi-detached house**
- * Choice of 4 available plots**
- * Future green zone behind the plots that completely screens the industrial zone from view**
- * Quiet and easily accessible location in Beringen**
- * Sample plans for a 2-story home available for inspection at the office**
